| 1 Selous Arrival | <p>Arrival of the flight from Dar El Salaam at the Mtemere Airstrip Airport early in the morning where you'll be met by our driver and guide, who will be with you for the entire tour.</p> <p>The Selous Reserve, with a surface area of 48.000 Sq Km, is mostly deserted and is the biggest park in Africa as well as one of the biggest in the world.</p> <p>Along the Rufiji river, which winds through woods, forests and prairies, it will be possible to spot the animals living near its banks, in a higher concentration than inside the reserve. A boat photo safari is also quite an experience which can take you eye to eye with hypos, crocodiles and elephants living there. Absolutely not to be missed are the impressive colours of the sunsets, really unforgettable.</p> <p>A packed lunch will be available at noon, whereas dinner will be served at the lodge where you'll return in the late afternoon.</p> <p>No other activities are scheduled for the day.</p> | Selous river camp | | Lake Manze | |
| 2 Selous | <p>After breakfast, photo safari in an off-road vehicle to discover the local fauna, particularly abundant in the reserve. The Selous Reserve hosts the highest number of mammals on earth: first of all elephants and giraffes, followed by hypos. Big predators are also present in great numbers, particularly wild dogs, which here are almost half the world's population.</p> <p>With little less than 450 species of birds, the area around the river is a Mecca for birdwatching: herons, storks, fish eagles, white-fronted bee-eaters and a lot of other birds that flutter among the river's many plants.</p> <p>Additionally, you can do the walking photo safari, accompanied by an armed park ranger, usually lasting 2/3 hours.</p> <p>A packed lunch will be available at noon, whereas dinner will be served at the lodge where you'll return in the late afternoon.</p> <p>No other activities are scheduled for the day.</p> | Selous river camp | | Lake Manze | |
| 3 Selous Departure | <p>After breakfast, possible last photo safari in a jeep or on foot. Once back at the camp, lunch and subsequent transfer to the airport for the return flight to Dar El Salaam.</p> | | | | |
